FOR IMMEDIATE RELEASE

BVS Continues to Clarify RF by Partnering with QualiTest

METUCHEN, New Jersey and Palm Bay, Florida. -- September 10, 2009 -- Berkeley Varitronics Continues to Clarify RF by partnering with QualiTest

“We are excited to add QualiTest as our latest OEM WiMAX Partner. WiMAX infrastructure equipment suppliers and installers are looking for complete solutions to enable rapid broadband build-out. YellowFin™ WiMAX 802.16e Mobile analyzer will now interface seamlessly to QualiTest’s Gladiator® solution software packages. This combination will allow network operators to build out the WiMAX network more efficiently as they continue to optimize the performance and improve their speeds,” says Scott Schober, BVS President & CEO.

“We are excited to give our customers another strong solution to meet their WiMAX optimization and root-cause analysis needs. The Gladiator® open-architecture platform scales from a single desktop to a web-based multi-processing force and now completely covers CDMA, GSM, 1x, UMTS, HSPA, WiMAX, and LTE. We are excited about adding yet another addition to the Gladiator® solution arsenal,” says Kamran Kashi, President and CEO of QualiTest Technologies.

The YellowFin™ 802.16e Mobile WiMAX Analyzer will be featured with live demos at the upcoming 4G show in Chicago September 15-17th at BVS’ Booth 213. Visit <http://www.bvsystems.com> for more news.

About Berkeley Varitronics Systems (www.bvsystems.com or www.bvsystems.eu)

Berkeley Varitronics Systems (www.bvsystems.com) has been providing advanced wireless solutions and products to the domestic and international wireless telecommunications industry for over 35 years. Since 1995, BVS has introduced over 50 unique wireless test devices for a variety of applications including the popular Cellular, iDEN, PCS, CDMA, RFID, LTE, Mobile WiMAX, FIXED WiMAX, 802.11b/a/g/n & Bluetooth specifications.

About QualiTest Technologies, Inc. (www.gladiator-innovations.com)

QualiTest is dedicated to cellular system engineering with a focus on products and solutions related to cellular network planning, design, deployment, optimization and maintenance. QualiTest has three principal offices located in Sao Paulo, Brazil, in Lyon, France, and in Palm Bay, FL, USA and a strong network of business partners throughout the globe.

Providing wireless solutions for over 35 years.
