FOR IMMEDIATE RELEASE

BVS Appoints Trisektor as Authorized Reseller in Islamabad Pakistan

METUCHEN, New Jersey. – April 23, 2008 -- Berkeley Varitronics Systems, Inc. is proud to add Trisektor of Pakistan to their growing team of international distributors.

“We are excited to continue expanding our international business as we aggressively take on new resellers such as Trisektor who will be selling our entire product portfolio throughout Pakistan.”, says Scott Schober, BVS President & CEO.

Trisektor began operations in 1998 with the express purpose to provide excellent sales and support and pioneered the ‘turnkey’ solution model for IT & Telecommunication products and services. Today, with a country wide presence in all the major cities and with a comprehensive range of products and services across diverse industries, they are one of the Pakistan’s leading solution provider companies. More than 90% of all the operators and integrators in the country are among Trisektor’s valued customers.

Trisektor, with its interest in Telecommunications, IT, Electro medical and Petroleum, has performed overwhelmingly in the past and is striving to achieve the highest standard of technical excellence for providing fit-for-purpose solutions in sales, support, consulting, services, and business process outsourcing. Trisektor has envisioned and initiated the adoption of flexible global business practices which enable companies to operate more efficiently and effectively for the benefit of their customers.
